As you know, AISC Certification recently changed fee schedules to simplify participant budgeting. As detailed in [Bulletin 2021-7](#), we switched to smaller, incremental annual increases instead of more significant increases every few years.

AISC's Board of Directors approved an annual increase of 2% for certification fees.

Your next invoice

The new fee schedule takes effect October 2, 2023, for both participants and applicants.

Current Participants: Any audit scheduled after January 1, 2024, will reflect the updated fees.

Applicants: Invoices issued after October 2, 2023, will also reflect the updates.
