

NASCC:
THE STEEL CONFERENCE
ATLANTA
Georgia World Congress Center

SCIS:

Students Connecting with Industry Sessions

Organized in cooperation with
SE Solutions

Thursday, April 23, 2020
12:30 p.m. – 3:30 p.m.

At SCIS, students will have the opportunity to hear career insights from distinguished construction industry and design professionals, connect and interact with leading industry experts, and mingle with other like-minded students.

Lunch Mixer

Join us at the start of SCIS for complimentary lunch and time to mingle with fellow students.

Career Insights

Speakers:

- Brad Dillman, PE, Vice President of Engineering, High Steel
- Natalie Tse, SE, Project Manager, Tipping Structural Engineers

Direct Connect

Connect and interact with leading industry experts from design and construction companies around North America.

Attend the Career Insights or Direct Connect session of SCIS to be eligible for the following:

- Up to \$175 for your travel expenses (*completed expense form and receipts required*)
- Free ticket to the Conference Dinner on Thursday night
