

SCIS: Students Connecting with Industry Sessions

at
NASCC:
THE STEEL CONFERENCE

Baltimore, Maryland
April 11–13, 2018

organized in cooperation with SE Solutions
Thursday, April 12, 2018 | 11:30 a.m. – 2:45 p.m.

At SCIS, students will have the opportunity to hear career insights from distinguished construction industry and design professionals, connect and interact with leading industry experts, and mingle with other like-minded students.

Morning Session | 11:30 a.m.

- James O. Malley, Structural Engineer and Senior Principal, Degenkolb Engineers
- Kim Olson, Structural Engineer, FORSE Consulting

note: Students who attend the Morning Session will receive a complimentary lunch.

Afternoon Session: “Direct Connect” 1:30 p.m.

Student Career and
Mentoring Session

Attend the morning or afternoon session of SCIS to be eligible for the following:

- Up to \$175 for your travel expenses (completed expense form and receipts required)
- Free ticket to the Conference Dinner on Thursday night

Questions: Maria Mnookin, AISC education program manager: mnookin@aisc.org
