RE: Reproduction of AISC specifications, codes, and standards

The American Institute of Steel Construction (AISC), grants limited permission to reproduce the following codes, specifications, and standards, including their accompanying commentary:

- AISC 207
- AISC 303
- AISC 313
- AISC 341
- AISC 342
- AISC 358
- AISC 360
- AISC 370
- AISC 420
- AISC N690

An unstipulated number of copies may be produced and bound as requested by the holder of this letter. Under no circumstances shall the document be sold for any fee.

This consent applies only to reproduction of the complete document. Electronic copying, inclusion on a database, online posting, or any other use is not permitted.

This limited consent covers only the distribution of the reproductions in the United States, its dependencies, Canada, and Mexico, unless additional specific written consent is granted.

A handwritten signature in black ink that reads "Keith A. Grubb". The signature is written in a cursive, slightly slanted style.

Keith A. Grubb, SE, PE  
Senior Director of Publications
