

Application Document Submittal for AISC Certification - Complex Coatings

This document submittal checklist is for the Complex Coatings Endorsement. To be eligible for the Endorsement you must be applying for or hold one or more of the following AISC certifications:

- Certification Program for Building Fabricators (BU)
- Certification Program for Bridge Fabricators (SBR, IBR, ABR)
- Certification Program for Hydraulic Fabricators (HYD, HYDA)
- Certification Program for Highway Component Manufacturers (CPT)

The documents on this check list, along with the following, must be submitted at the time of application.

- A copy of your Quality Manual and the documented procedures as outlined in Sections 1.5 through 1.19 and Chapters 2 through 6, as applicable, of the AISC 207-23 Standard for Certification Programs (the Standard)
- A copy of this completed checklist. You must include the corresponding Procedure number, Quality Manual section number, or the Document name in the (√) column.

Please refer to the Supplemental Requirements for Applicators of Complex Coatings Endorsement (CCE).

Scope change applicants: Please submit only the documents that are affected by the requested change to your current scope.

Documents Required to be Submitted	\checkmark
