full membership dues schedule

quarterly tonnage dues and maximum contribution—all applicants
Full Members who are Structural Steel Producers or Hollow Structural Steel Section (HSS) Manufacturers shall pay a tonnage fee of $1.10 per ton each quarter for all steel fabricated, produced or manufactured for use in structures, including structural and miscellaneous steel. The tonnage fee for the first 400 tons fabricated is included with the annual fee. This tonnage fee is capped at a maximum annual payment of $50,000. Members still must report all tonnage, including the first 400 tons, on their quarterly invoice.

Service Centers: Members shall pay an additional structural steel tonnage fee of $0.15 per ton each quarter capped at $50,000 per year. This tonnage fee can be paid on either:

- All steel shipped to companies involved in the fabrication of steel structures; or
- All steel HSS shipped with a dimension equal to or larger than 4 in. and all wide flange with a flange width of 4 in. or greater.

special assessments
Full Members who are Structural Shape Producers, HSS Manufacturers, or Steel Plate Producers shall pay a voluntary marketing assessment. Full Members who are Plate Steel Producers shall by the end of January of each year pay a bridge marketing fee of $14,450.

The undersigned hereby makes application for election to Full Membership in the American Institute of Steel Construction, as provided by its by-laws. The undersigned agrees that, if duly elected to such membership, it will at all times during the period which the undersigned shall remain as a member of said Institute, abide by the terms of said Institute’s certificate of incorporation and of its by-laws, together with all lawful resolutions at any time or from time to time adopted by the members of said Institute or by its Board of Directors or by its Executive Committee, and which for the time being shall be in force and effect with respect to the undersigned. By becoming a member of AISC you agree to receive email from AISC concerning the structural steel industry, AISC activities, and events.

☐ AISC periodically makes our mailing list available to select organizations that we believe may be of interest to you. If you prefer not to be contacted by these organizations, please check here.
