international affiliate/professional membership application

The undersigned agrees that, if duly elected to Professional Membership in the American Institute of Steel Construction, the firm will abide by the terms of said Institute's Certificate of Incorporation and of its by-laws, together with all lawful resolutions adopted by the Members of said Institute or by its Board of Directors or by its Executive Committee and which shall be in force and effect with respect to the firm. It is further understood that, if elected as Professional Member, the enclosed dues will be for the annual membership dues. In the event membership is denied, the payment will be refunded in total. *Modern Steel Construction* is available to download for no additional charge. To access your complimentary copy of *Modern Steel* please visit www.modernsteel.com. Also, visit aisc.org/ej to obtain your copy of AISC's *Engineering Journal*. By becoming a member of AISC you agree to receive email from AISC concerning the structural steel industry, AISC activities, and events.

Card holder _____ Signature _____

notes

- According to AISC by-laws all applicants must enter AISC membership at the highest level of membership they qualify for. Persons who are employed by non-member firms that qualify for Full or Associate membership are ineligible for Professional membership.
- AISC membership dues are not deductible as charitable contributions for federal tax purposes; however, they may be deductible as an ordinary and necessary business expense.
- Benefit coverage may be transferred from one dependant to another by contacting the membership department of AISC. Additional credentials may be required upon transfer of membership.
