

full membership benefits

Full Members of the American Institute of Steel Construction enjoy many benefits, both professional and financial, including the following:

- Discounts on AISC seminars, webinars, and conferences (aisc.org/education).
- Complimentary copy of the latest edition of AISC's *Steel Construction Manual*.
- Complimentary AISC Membership Plaque for display in your office.
- 20% off advertising in *Modern Steel Construction* magazine.
- Free access to the digital archive of *Engineering Journal* articles and all of AISC's Design Guides.
- 50% off all AISC publications.
- Technical and conceptual assistance by our staff advisors in the Steel Solutions Center (aisc.org/ssc).
- The use of AISC logos on your company's marketing materials, website, etc., showing your participation and support for advancing the steel industry.
- Scholarship opportunities, including the David B. Ratterman Fast Start Scholarship, available to children or dependent students of AISC Full Member company employees (aisc.org/scholarships).
- Safety publications; relevant OSHA interpretations, directives, and notices; and Daily Safety Focus, 10–15 minute talks featuring tips and topics ranging from protection to safe behaviors.
- Opportunity to participate in AISC's Safety Awards program, recognizing and promoting achievements of our members' perfect safety records and providing a reminder of the importance of safety for employees (aisc.org/safetyawards).
- Recognition in *Modern Steel Construction* and at NASCC: The Steel Conference for your firm's participation in projects that win AISC's IDEAS² Awards (aisc.org/ideas2) and/or NSBA's Prize Bridge Awards (aisc.org/prizebridge), recognizing innovative usage of structural steel in building and bridge construction.

full membership application

Notice to Applicant: Please complete all items and submit application with payment. Incomplete applications will not be approved. Please print or type. Please allow up to two weeks for processing.

1 Firm name _____
Primary business address _____

Mailing address (if different from above) _____

Phone _____
Website _____
This company is: Service Center HSS Manufacturer Mill

2 The following persons are to be covered by this application and are located at the address listed above.

Primary contact _____ Title _____

An initial dues payment must accompany this application, payable to American Institute of Steel Construction. Should the application be denied, the initial payment will be refunded in full. The amount of the payment is determined by the month application is made.

Month	Initial Fee
January, February, March	\$950
April, May, June	\$712
July, August, September	\$475
October, November, December	\$237

full membership dues schedule

quarterly tonnage dues and maximum contribution—all applicants

Full Members who are **Structural Steel Producers** or **Hollow Structural Steel Section (HSS) Manufacturers** shall pay a tonnage fee of \$1.85 per ton each quarter for all steel fabricated, produced or manufactured for use in structures, including structural and miscellaneous steel. The tonnage fee for the first 400 tons fabricated is included with the annual fee. This tonnage fee is capped at a maximum annual payment of \$80,000. Members still must report all tonnage, including the first 400 tons, on their quarterly invoice.

Service Centers: Members shall pay an additional structural steel tonnage fee of \$0.15 per ton each quarter capped at \$50,000 per year. This tonnage fee can be paid on either:

- All steel shipped to companies involved in the fabrication of steel structures; or
- All steel HSS shipped with a dimension equal to or larger than 4 in. and all wide flange with a flange width of 4 in. or greater.

special assessments

Full Members who are **Structural Shape Producers**, **HSS Manufacturers**, or **Steel Plate Producers** shall pay a voluntary marketing assessment. Full Members who are **Plate Steel Producers** shall by the end of January of each year pay a bridge marketing fee of \$14,450.

The undersigned hereby makes application for election to Full Membership in the American Institute of Steel Construction, as provided by its by-laws. The undersigned agrees that, if duly elected to such membership, it will at all times during the period which the undersigned shall remain as a member of said Institute, abide by the terms of said Institute's certificate of incorporation and of its by-laws, together with all lawful resolutions at any time or from time to time adopted by the members of said Institute or by its Board of Directors or by its Executive Committee, and which for the time being shall be in force and effect with respect to the undersigned. By becoming a member of AISC you agree to receive email from AISC concerning the structural steel industry, AISC activities, and events.

- AISC periodically makes our mailing list available to select organizations that we believe may be of interest to you. If you prefer not to be contacted by these organizations, please check here.
