## Hillsdale Fabricators

An Alberici Enterprise

### Structural Steel Fabrication Personnel Needed

Hillsdale Fabricators, one of the largest steel fabricators in the Midwest has an immediate opening for structural steel estimators with experience doing moderate to highly complex steel quantity take-offs. Candidates must be able to organize and understand contract documents and specifications in preparation of bidding projects up to 20,000 Tons in size, and will assist in preparing documentation for submittal of proposals. Successful candidates will also be required to solicit competitive bids from suppliers and subcontractors and to communicate with engineers, owners, and contractors during the bid process. Experience with FabTrol is a plus. Candidates should have a minimum of five years experience or a college degree (B.A. or B.S.) and three years experience.

Fax Resume To: 314-553-8355

## Regional Engineer – Pacific Northwest

Are you an engineering professional looking for a new challenge that is different and exciting? Are you good at promotion, overcoming roadblocks, working with diverse teams, juggling multiple tasks and managing numerous high level relationships? Are you ready to take the lead in promoting the construction market in the Pacific Northwest for structural steel?

The **American Institute of Steel Construction, Inc.**, founded in 1921 as the trade association for the structural steel industry, is looking for the right person to take the lead in promoting the use of structural steel in Washington, Oregon, Northern California, Idaho, Montana and Alaska. Your success will depend on your ability in developing and maintaining relationships with key influencers, pursuing and influencing projects, working with owners and architects, making presentations, conducting seminars, assisting structural steel fabricators with promotional and business development programs and serving on key industry committees. The ideal candidate will be a civil or structural engineer with a minimum of five years experience in building design, construction and/or fabrication and a passion for consultative marketing. Strong communication and computer skills are a must.

To submit your resume for consideration and request a full description of this position, please contact **John Cross, Vice President, AISC Marketing LLC** at [cross@aisc.org](mailto:cross@aisc.org). e/o/e

### SOUTHERN STEEL, CHARLOTTE, NC SENIOR PROJECT MANAGER

- 8-10 years experience managing multiple structural steel fabrication and erection projects
- Coordinated joist, metal decking, and various miscellaneous metals
- Managed several projects and handled multiple issues within limited timeframe

Join our winning team! Contact: **Terri Hand** at [thand@betainternational.com](mailto:thand@betainternational.com) or 704.927.8272.

## STRUCTURAL STEEL ENGINEERS & EIT's

**Brown Consulting Services, Ltd** is an industry leader in structural steel design services. We are seeking structural engineers to join our team of professionals. Structural steel design experience is desired. A bachelor's degree in civil/structural engineering is required. Advanced degrees are preferred.

Brown Consulting Services was formed in 1997. We have completed over 20,000 assignments. Over 98% of our projects are from return clients. We are completely employee owned with future ownership opportunities available to senior engineers. We design structural steel connections, steel stairs, miscellaneous steel along with a variety of other design services. Our projects include large commercial, industrial and institutional structures. Our forensic engineering services include the investigation of structural failures or claims.

We offer a generous benefit package including health and dental insurance; paid holidays and vacation; 401K plan. A relocation package is available to a qualified senior engineer. Our office is located on the north side of Houston, TX. We have a comfortable work environment. Our newly acquired office building is set in a peaceful setting on 12 acres. Working for Brown Consulting, you can enjoy the amenities of a major metropolitan city, and visit the beaches of Galveston on weekends. Contact us today for a great opportunity at:

**Brown Consulting Services, Ltd**  
20325 Budde Cemetery Road  
Spring (North Houston), TX 77388  
281 260 9749; 281 260 9771 FAX  
email us at: [hr@brownfirst.com](mailto:hr@brownfirst.com)

## Project Manager/Detailers/Checkers

**SteelStar Corporation** is an aggressively growing detailer/fabricator/erector (16-20 Million/Annually) in the Denver Metro area along the beautiful Front Range of Colorado.

### Project Manager (\$65-95K Annually)

We are currently seeking an aggressive and skilled project manager with experience in low to mid rise commercial/industrial, miscellaneous and architectural/ornamental metals projects from 500-2000 Tons.

The successful candidate must have a minimum of five years experience in construction project management. Requirements to include, but are not limited to; excellent computer/technical skills, organizational skills, scheduling skills and documentation skills as well as great communication and customer service skills. Most important of all, the successful candidate must have a great attitude! An Associates or Bachelors degree is required; this may be waived in lieu of experience. Relocation to Colorado Required. Must have excellent references and project track record.

### Detailers/Checkers (\$15-\$35 Per/Hour)

We are currently seeking (3) skilled Tekla (Xsteel) and (4) AutoCAD/AutoSD detailers & checkers with experience in low to mid rise commercial/industrial, miscellaneous and architectural/ornamental metals projects up to 2000 Tons.

The successful candidate must have a minimum of (3) year's structural and/or miscellaneous steel detailing experience. Requirements include, but are not limited to; excellent computer/technical skills and Tekla or AutoCAD experience. Most important of all, the successful candidate must have a great attitude! Relocation to Colorado Required. Candidate must be able to provide excellent references and drawing examples. All candidates must be currently eligible to work in the United States.

We offer the security of a financially stable company, profit sharing, competitive wages, relocation reimbursement, medical benefits, 401K, paid holidays and paid leave time, and most of all, a fun place to work with opportunity for advancement. Please send resume to: SteelStar Corporation, P.O. Box 218 - Dacono, CO 80514 Attn: Employment - Fax 303.828.4092 or email [employment@steelstar.com](mailto:employment@steelstar.com). Visit us @ [www.steelstar.com](http://www.steelstar.com).

## Structural Steel Detailer

The nation's largest structural steel Fabricator & Erector is recruiting for Structural Steel Detailers.

Ideal candidates will have at least 2-3 years related experience in the structural steel industry, preferably with Tekla X-steel.

Non-US residents encouraged to apply. Schuff is committed to sponsorship.
