

ACHIEVE AISC CERTIFICATION WITH ATEMA

We are the best choice to achieve certification for AISC fabricator and erector criteria.

- Save time to do your business while we address documentation requirements.
- Don't lose contracts that require certification.
- Improve business efficiency.

NOT SURE WHERE TO START?

COME TO ONE OF OUR PUBLIC SEMINARS:

AISC Certification for Building Structures

Includes information on the new component standard. Chicago, May 6-8, 2008

AISC Sophisticated Paint Endorsement (SPE)

Chicago May 9, 2008

STRUCTURAL & MISC. STEEL DETAILING SERVICE

KBK Structural Design, LLC is a design-detailing company with projects in the Rocky Mountain region and across the country. We provide the following services: • **Structural & Misc. Steel Detailing for Commercial/Industrial Buildings** • **Connection Design for Steel Structures** • **Estimating and Material Take Off for Steel Structure Projects** • **KISS Files for Fabricator** • **Joist and Deck Detailing**

Our strengths are Quality, Schedule and Price. We strive to meet fabricator's schedules and budget demands while maintaining quality service. Our staff includes registered professional engineers with current knowledge of structural steel design, fabrication and erection methods. We use SDS/2, Tekla and AutoCAD for detailing.

Are you thinking of becoming AISC Certified? **Quality Management Company can help!**

Writing your own Quality Manual may be easier than you think. QMC Online (www.qmconline.com) has a multitude of free resources that can save you time and money preparing your documentation required for AISC Certification. At QMC Online, you'll find:

- A downloadable sample quality manual geared to both large and small fabricators, that includes instructive comments from QMC
- Sample procedures with guidance on how to write them effectively
- Required references that meet current codes and standards for your library
- Answers to over 100 frequently asked questions
- Samples of internal audits and more

Make QMC Online your first stop when considering AISC Certification, or call 312.670.7520.
