Are you thinking of becoming AISC Certified?

Quality Management Company can help!

Writing your own Quality Manual may be easier than you think. QMC Online (www.qmconline.com) has a multitude of free resources that can save you time and money preparing your documentation required for AISC Certification. At QMC Online, you'll find:

- A downloadable sample quality manual geared to both large and small fabricators, that includes instructive comments from QMC
- Sample procedures with guidance on how to write them effectively
- Required references that meet current codes and standards for your library
- Answers to over 100 frequently asked questions
- Samples of internal audits and more

Make QMC Online your first stop when considering AISC Certification, or call 312.670.7520.

Quebec Detailing Connection

WANTED

QUALITY-CONSCIOUS, GOAL-ORIENTED, AND PROACTIVE STRUCTURAL STEEL FABRICATORS COMMITTED TO QUALITY WANTED FOR AISC QUALITY CERTIFICATION PROGRAM. AISC is looking for capable fabricators of any size interested in reinforcing their positive reputation within their local market by implementing a quality management system addressing all aspects of their business processes. Candidates must be willing to subject themselves to a rigorous annual third-party independent audit. Successful candidates will become AISC Certified, proving to specifiers, contractors and owners that they have the personnel, experience, equipment and knowledge to deliver a quality product. All interested applicants please contact AISC at 312.670.7520 or certinfo@aisc.org.
