ATTENTION ! TUBE AND PIPE FABRICATORS

Get a license to utilize a newly patented design of structural joint between tubular members:

- Full-strength tension, compression & bending connection
- Joins tubes of different sizes
- Round, square or rectangular
- No machining or weld preparation
- No special fabrication tolerances
- No site welding
- No special fit-up or shimming

Design tables and tabulated details provided.
Independent test results available.

Exclusive or non-exclusive license(s) / one-time lump sum payment / annual or per-unit royalties.

Are you thinking of becoming AISC Certified?

Quality Management Company can help!

Writing your own Quality Manual may be easier than you think. QMC Online (www.qmconline.com) has a multitude of free resources that can save you time and money preparing your documentation required for AISC Certification. At QMC Online, you'll find:

- A downloadable sample quality manual geared to both large and small fabricators, that includes instructive comments from QMC
- Sample procedures with guidance on how to write them effectively
- Required references that meet current codes and standards for your library
- Answers to over 100 frequently asked questions
- Samples of internal audits and more

Make QMC Online your first stop when considering AISC Certification, or call 312.670.7520.
