Structural Engineers

*Are you looking for a new and exciting opportunity?*

We are a niche recruiter that specializes in matching great structural engineers with unique opportunities that will help you utilize your talents and achieve your goals.

- We are structural engineers by background and enjoy helping other structural engineers find their “Dream Jobs.”
- We have over 30 years of experience working with structural engineers.
- We will save you time in your job search and provide additional information and help during the process of finding a new job.
- For Current Openings, please visit our website and select Hot Jobs.
- Please call or e-mail Brian Quinn, P.E. (Brian.Quinn@FindYourEngineer.com or 616.546.9420) so we can learn more about your goals and interests. All inquiries are kept confidential.

RECRUITER IN STRUCTURAL MISCELLANEOUS STEEL FABRICATION

ProCounsel, a member of AISC, can market your skills and achievements (without identifying you) to any city or state in the United States. We communicate with over 3,000 steel fabricators nationwide. The employer pays the employment fee and the interviewing and relocation expenses. If you’ve been thinking of making a change, now is the time to do it. Our target, for you, is the right job, in the right location, at the right money.
