QMC Contract Auditor

Quality Management Company, LLC (QMC) is seeking qualified independent contract auditors to conduct site audits for the American Institute of Steel Construction (AISC) Certified Fabricators and Certified Erector Programs.

This contract requires travel throughout North America and limited International travel. This is not a regionally based contract and a minimum travel of 75% should be expected.

Contract auditors must have knowledge of quality management systems, audit principles and techniques. Knowledge of the structural steel construction industry quality management systems is preferred but not required as is certifications for CWI, CQA or NDT. Prior or current auditing experience or auditing certifications are preferred but not required. Interested contractors should submit a statement of interest and resume to contractor@qmconline.org.

Steel Detailers, Checkers, Estimators and Project Managers

Lincoln Engineering Group is one of the fastest growing structural and miscellaneous steel detailing firms in the country located in Chicago suburbs. We currently have immediate openings for experienced detailers, checkers, estimators and project managers.

Ideal candidate would have experience in Structural and Miscellaneous steel detailing and/or checking. He/she should be a team leader with excellent communication skills. We offer a competitive compensation and benefits package. May consider relocation allowance for the right candidate.

Please submit your Résumé to: jobs@lincolngineering.com or
