SE Impact by SE Solutions, LLC | [www.FindYourEngineer.com](http://www.FindYourEngineer.com)

The Berlin Steel Construction Company is a full service specialty contractor, primarily with structural steel and miscellaneous metals. We design, fabricate, and erect structures in

the Northeast and in other parts of the country. We have two fabrication facilities, four erection operations facilities, and six office locations that provide engineering and management of projects. We are a 100% employee owned company (ESOP) with a desire for growth. We service the private commercial, public, institutional, and industrial markets.

We are currently looking for experienced applicants for  
**Estimating Manager**  
for our Corporate office in Kensington, CT.

The Estimating Manager is responsible to provide oversight, leadership and development for the estimating and sales needs of the company by managing internal and external resources to process bids and proposals. Management experience and degree preferred. A minimum of 10 years' experience specific to estimating, negotiation and sales of structural steel & miscellaneous metals fabrication and erection is required. Must exhibit strong communication and proven leadership skills and have experience with common industry software. Salary range for this senior level position is negotiable based on skills and experience.

Interested applicants should submit their resumes to [knemergut@berlinsteel.com](mailto:knemergut@berlinsteel.com). We are an EOE.
