Production Manager

Snyder Engineering is a well-established misc. & light structural steel fabricator, shipping stairs/rails and other fabricated steel nationwide. We are currently taking applications for the production manager position in our Columbia, MO location.

Experience in the steel fabrication industry and a successful management track record are required.

Email resumes to bkoehler@snydereng.com

QMC Contract Auditor

Quality Management Company, LLC (QMC) is seeking qualified independent contract auditors to conduct site audits for the American Institute of Steel Construction (AISC) Certified Fabricators and Certified Erector Programs.

This contract requires travel throughout North America and limited International travel. This is not a regionally based contract and a minimum travel of 75% should be expected.

Contract auditors must have knowledge of quality management systems, audit principles and techniques. Knowledge of the structural steel construction industry quality management systems is preferred but not required as are certifications for CWI, CQA or NDT. Prior or current auditing experience or auditing certifications are preferred but not required. Interested contractors should submit a statement of interest and resume to contractor@qmconline.org.
